

UPDATE CORONAVIRUS (COVID-19)

Stay informed. Take precautions. Stay safe.

Dear Members,

EOEA has issued a guidance regarding the COVID-19 Booster Vaccine. The Federal Pharmacy Partnership Program that supported the vaccination efforts last winter will not be reinstated for booster deployment. EOEA encourages all ALRs to begin planning and to consider the following options:

- **Leverage existing pharmacy partnerships or other clinical provider relationships for an on-site clinic**
- **Provide transportation to vaccine providers in the community**
- **Encourage residents and staff to pursue boosters on their own**

Details regarding each bullet point, as well as contact information for assistance, can be viewed in the full guidance [here](#).

If you have any questions, please contact us at Mass-ALA@mass-ala.org

**The information provided in this COVID 19 update is solely for general informational purposes to assist in understanding the evolving guidance regarding the current COVID 19 public health threat. It is not intended to be a primary public health or medical resource but is provided as a clearinghouse for or compilation of various guidance issued by official and related sources.*
