

UPDATE CORONAVIRUS (COVID-19)

Stay informed. Take precautions. Stay safe.

Dear Members,

On November 24th, Mass-ALA sent an [email](#), which included the EOEA update requiring follow-up actions by every assisted living residence (ALR.) **One of those actions is to complete an infection control audit and survey by December 15th.**

The full November 24th update from EOEA, including the identification of patterns of infection, testing, and an update on the Massachusetts Rapid Response Team deployment, is available [here](#). **Please report the status of COVID-19 vaccine boosters for residents and staff and infection control audits using the following [link](#) by December 15, 2021.** For those who need information on accessing infection control support, here is Mass-ALA's list of [infection control auditors](#) that work with assisted living providers.

The other follow-up action included in the November 24th update was the requirement to attend the December 1st Webinar on Infection Control. The slides from that webinar can be accessed [here](#).

If you have any questions, please contact us at Mass-ALA@mass-ala.org

**The information provided in this COVID-19 update is solely for general informational purposes to assist in understanding the evolving guidance regarding the current COVID-19 public health threat. It is not intended to be a primary public health or medical resource but is provided as a clearinghouse for or compilation of various guidance issued by official and related sources.*
