

Dear Members,

The EOE Assisted Living Certification & Compliance Unit has issued a notification regarding the application process for assisted living certification. Due to the many applications they receive annually, they have streamlined the process by eliminating paper submissions, and requiring all applications to be filed electronically. In their communication, they outlined the steps to be taken as part of the e-file submission process. You may access the update [here](#), which includes all details of the process, as well as the instruction to direct any questions to ALRHelp@Mass.gov

Please contact us if you have any questions, 781-622-5999/ MassALA@mass-ala.org.
